

INC-001 Witness Statement

Witness Statement — INC-001

Witness role: Nearby security guard

Approximate observation time: 21:20

Location: Downtown Warehouse District

The witness stated that a black sedan was parked near the warehouse loading area. The witness observed the vehicle leave shortly before the warehouse manager discovered the missing equipment.

The witness could not determine the driver's identity and could not read the registration plate.

Important limitation:

The statement establishes that the witness reported seeing a black sedan. It does not establish that the vehicle was involved in the theft.
