

INC-003 Evidence Report

Evidence Report — INC-003

Evidence item E-003-01:

Photographs showing tire impressions outside the damaged rear gate.

Evidence item E-003-02:

A partial footprint found near the storage container.

Current interpretation:

The tire impressions indicate that a vehicle was present near the damaged gate. The evidence does not identify the exact vehicle model or establish who operated it.

Status:

Evidence submitted for comparison with other investigation records.
