

INC-004 CCTV Report

Incident ID: INC-004

Report Type: CCTV Review

Date: 2026-08-07

Time: 22:00

Location: East Industrial Zone

CCTV review:

A camera positioned across the street recorded a black sedan passing the warehouse access road at approximately 21:52.

The recording does not show the vehicle entering the warehouse property. The license plate is not readable.

Investigative note:

The vehicle description is similar to a vehicle mentioned in the witness statement associated with INC-001. This similarity should be treated as a lead rather than proof of a connection.
