

INC-007 Access Log Report

Incident ID: INC-007

Report Type: Access Log Review

Date: 2026-08-14

Time: 20:10

Location: Old Port

The storage-area access log shows an unauthorized entry shortly after 20:00.

The loading-area camera was not operational during the relevant period.

No person or vehicle was identified from the access log alone.

The investigation remains open.
